

CRITERIA FOR NORTHERN LIGHTS SADD ADVISORY BOARD 2018-2019

The following guidelines determine eligibility for the Northern Lights Advisory Board:

- The nominee must be a current freshman through junior in high school and a member of SADD.
- The student should be a positive role model of the no-use lifestyle and the SADD philosophy of friends caring for friends.
- Nominees must be willing to speak publicly about SADD and arrange travel as necessary.
- The student must be willing to attend all NLAB meetings, functions and activities. Attendance at all of these functions is strongly encouraged.
- The summer NLAB meeting is typically scheduled for sometime in the first two weeks of June. Date and location will be finalized later in the spring, once we are able to receive input from the new board members. NLAB members are expected to attend and should plan their summer accordingly.

GUIDELINES FOR APPLICATIONS

Each chapter can have up to **2** nominees. If more than 6 students from any region apply for the NLAB, a panel consisting of the state coordinator and former advisory board members may screen the applications to narrow the ballot down to 6 candidates per region.

GUIDELINES FOR THE NORTHERN LIGHTS CONFERENCE

Note: These guidelines will only come into play if the number of applicants requires us to hold an election.

Candidates must be prepared to give a campaign speech (2 minutes maximum) in front of their peers; speeches should be thoughtful and not improvised, and time will be given beforehand to review and practice speeches with current NLAB representatives or Northern Lights SADD staff.

The speech is considered a campaign speech and may include, but is not limited to, information about the student's SADD experience, ideas for Northern Lights SADD's future, why they believe they would be a good board member, why they would like to be a member of the board, etc.

Candidates are allowed to campaign during the conference. They are encouraged to be creative and personable with their campaigns, however, they must remain tactful and respectful to the other candidates. Campaign may include, but is not limited to, posters, handouts, cheering, etc. *Any campaign materials must be contained to the Arena floor space and/or workshop rooms; posters, etc. are not permitted to be hung in the hallways or bathrooms of the Alerus Center.*

Conduct Agreement
Northern Lights SADD**

Being the Student of the Year or on the Northern Lights Advisory Board can be a lot of fun and one of the most meaningful times of your life, but it also comes with a responsibility. One of the primary roles of the Student of the Year or Advisory Board member is to serve as a positive role model. The behavior of the SOY and student NLAB members reflects directly upon the integrity of SADD at the local, state and national levels.

The SOY and NLAB members are expected to abide by the no-use policy described in the Membership Contract, maintain the image of a positive role model and avoid involvement in other potentially destructive behaviors. This includes attending social gatherings or other situations where illegal alcohol or drug use is occurring, whether or not the SOY or NLAB member is participating in the illegal behavior. Violation of this policy can result in the student's immediate removal from his or her leadership position.

By signing below, the student candidate, SADD advisor, and parent/guardian acknowledge this policy and potential consequences for failure to abide by the policy.
